I've been bad all year,  
That's when Mommy told me  
Too many boys  
Santas gonna scold me  
I should be good,  
But Im feeling naughty  
So baby just get over here  
And start this party

Skeet like snow,  
As I take off my clothes

Santa slap me on the wrist,  
Put me on your naughty list  
All the boys are yelling  
You're a hoe hoe hoe!  
You in my sexy little gift,  
I'll unwrap you with my kiss  
So hot I can't resist  
I'll be your hoe, hoe, hoe tonight  
Tonight, tonight  
Ill be your hoe tonight  
I'll be your hoe, hoe, hoe tonight

I've been staring at the clock  
(Clock)  
Waiting for my Santa cock  
In and out my chimney  
Cause he's been around the block  
(Block)  
Backseat of his sleigh  
(Hey)  
Santas getting laid  
(Yay)  
Busting out that leather whip  
Now Rudolph wants to join  
(Okay)

Skeet like snow,  
As I take off my clothes

Santa slap me on the wrist,

Put me on your naughty list  
All the boys are yelling  
You're a hoe hoe hoe!  
You in my sexy little gift,  
I'll unwrap you with my kiss  
So hot I can't resist  
I'll be your hoe, hoe, hoe tonight  
Tonight, tonight  
Ill be your hoe, tonight  
I'll be your hoe, hoe, hoe tonight

As I lick up on his peppermint  
I'm gentle with his ornaments  
Icing on my lips  
Now its time to open my presents  
I gotta stop,  
I know I gotta quit it  
Jesus Christ would you please save me?

Ho, ho, ho!  
Merry Christmas!  
You girls have been so good this-  
Oh, oh, oh whatre whatre doing' with that candy cane  
Wait, it doesn't go in there  
Whatre you guys doing?  
Stop it now

Santa slap me on the wrist,  
Put me on your naughty list  
All the boys are yelling  
You're a hoe hoe hoe!  
You in my sexy little gift,  
I'll unwrap you with my kiss  
So hot I can't resist  
I'll be your hoe, hoe, hoe tonight

Santa slap me on the wrist,  
Put me on your naughty list  
All the boys are yelling  
You're a hoe hoe hoe!  
You in my sexy little gift,  
I'll unwrap you with my kiss  
So hot I can't resist  
I'll be your hoe, hoe, hoe tonight  
Tonight, tonight  
Ill be your hoe tonight, tonight  
I'll be your hoe, hoe, hoe tonight  
So baby just get over here,  
And start this party
