Money, diamonds, gold and ice
Ya talk shit, you'll pay the price
Shut up cunt! I'll cut your tongue
Back down bitch you're fucking done

Talk shit to us you fucking haters
You're the ones who fucking made us
So shut your mouth or I'll cut your tounge
Back down bitch you're fucking done

You think this shit just comes easy?
Lets see you try you fucking beezy
Lets see your band make number one
Back down bitch you're fucking done

This is to your mom and dads
You hate our shit
What a drag
'Cause I'm the one who fucks your son
Back down bitch you're fucking done

Money, diamonds, gold and ice
You talk shit, you'll pay the price
Shut up cunt! I'll cut your tongue
Back down bitch you're fucking done

Talk shit to us you fucking haters
You're the ones who fucking made us
So shut your mouth or I'll cut your tongue
Back down bitch you're fucking done

Oh is that your man ha! must of
tripped and fell into his lap
hes teasing,pleasing me might even just get a piece of
me bitch dont look so sad youll get him back just look
like this and fuck like that
millionaires are three to none
back down bitch your fucking done

Money, diamonds, gold and ice

Ya talk shit, you'll pay the price

Shut up cunt! I'll cut your tongue
Back down bitch you're fucking done

Talk shit to us you fucking haters
You're the ones who fucking made us
So shut your mouth or I'll cut your tongue
Back down bitch you're fucking done

Trying to fuck our teet? You're lame!
You just want us for the fame
We barely met you're just a no one
Back down bitch you're fucking done

You hate us and our stupid lyrics
But deep down you love to hear it
We're living life and having fun so
Back down bitch you're fucking done!

Money, diamonds, gold and ice
Ya talk shit, you'll pay the price
Shut up cunt! I'll cut your tongue
Back down bitch you're fucking done

Talk shit to us you fucking haters
You're the ones who fucking made us
So shut your mouth or I'll cut your tongue
Back down bitch you're fucking done

Money, diamonds, gold and ice
Ya talk shit, you'll pay the price
Shut up cunt! I'll cut your tongue
Back down bitch you're fucking done

Talk shit to us you fucking haters
You're the ones who fucking made us
So shut your mouth or I'll cut your tongue
Back down bitch you're fucking done
