When I roll up I'm drunk and high
I'm looking for my just tonight
Cause I don't need a boyfriend & I don't need him by
my side
He doesn't even know what he's thinking
Leaving this club with us to go drinking
He started winkin' & oh it got me thinking about all that
dirty shit I
Did last weekend
I'm leaving, into the hills
& all I need is, these cheap dirty thrills

(X2)

I just wanna live fast, party hard,
Make money, be a star
Boys at every show lose their clothes
On the dance floor
We don't care (we don't care)
We don't care (we don't care)
We don't care if we live through the weekend

Here comes the sunlight, he won't leave
He's begging me for more please
& all the dirty words I talk into his ear (HE WANTS ME)
I know that you want it, I feel that you're on it
I'm sorry that your morning ended up in vomit
Stop oh & drop it to the floor
Bend down, you're throwing up some more
Pick it up boy, let's dance & have some fun
I wanna drink more, oh yeah it's just begun

(X2)

I just wanna live fast, party hard,
Make money, be a star
Boys at every show lose their clothes
On the dance floor
We don't care (we don't care)
We don't care (we don't care)
We don't care if we live through the weekend

(X2)

If tomorrow never comes, well at least we had fun
So drink up! drink up! live fast, die young

Drink up! drink up!
Drink up! drink up!
Live fast die young
