Jump one to the beating hearts
And just jump three for the moment we're about to
create
With our bodies getting closer
Go one to the winding stairs
And just go three for that second door and lie in my
bed
Where the sheets look so inviting

Take a show of hands
(Oh my God I'm just)
Majority wins
(About to fall in love)
The decision stands
(And so do these feelings)
It's a battle between conscience
I'm fumbling my words
(Don't you look stupid)
I don't know what to say
(Just say you love her)
We're right between the sheets
(What did I tell you)
It's battle between conscience

Drink one to my arms around you
Just drink three for this coming kiss that's making me
shake
While you're staring in my eyes
Stay one, two o'clock in the morning
Just stay three for a little more and lie in this bed
And you know a little longer

Take a show of hands
(Oh my God I'm just)
Majority wins
(About to fall in love)
The decision stands
(And so do these feelings)
It's a battle between conscience
I'm fumbling my words
(Don't you look stupid)
I don't know what to say

(Just say you love her)
We're right between the sheets
(What did I tell you)
It's battle between conscience

Gonna get, get, get, gonna get it all
Before the night's through with us I'll say it all
And we'll wake up with the morning sun
Sleeping all by ourselves

Take a show of hands
(Oh my God I'm just)
Majority wins
(About to fall in love)
The decision stands
(And so do these feelings)
It's a battle between conscience
I'm fumbling my words
(Don't you look stupid)
I don't know what to say
(Just say you love her)
We're right between the sheets
(What did I tell you)
It's battle between conscience
