Shes gotten with the band  
shes got them on a roll  
she likes giving sex  
shes always on the phone

Hes got a filthy mind  
he likes rock and roll  
he is so unkind  
hes always in control

photo fit for me  
of the way we used too be  
our love with a skeleton key  
its just photo fit for me

she likes doing drugs  
she doesnt give a shit  
she thinks you are mine  
she is really fit  
he likes drinking gin  
he doesnt really care  
hes really getting thin  
hes starting too loose his hair

photo fit for me  
of the way we used too be  
our love with a skeleton key  
its just photo fit for me

shes gotten with the band  
shes got them on a roll  
she likes giving sex  
shes always on the phone

Hes got a filthy mind  
he likes rock and roll  
he is so unkind  
hes always in control

she likes doing drugs  
she doesnt give a shit  
she thinks you are mine

she is really fit  
he likes drinking gin  
he doesnt really care  
hes really getting thin  
hes starting too loose his hair
