C'mon let's go,
And turn it up,
The way you walk,
The way you look.

I see it coming,
Like a promise,
Like a rocket,
In the night.

You know you're driving me round the bend,
And up the wall,
You think your Mr Friday Night,
You're so rock n roll...

C'mon let's go (a little faster),
And turn it up (a little louder),
The way you walk (you strut your mean stuff),
The way you look (give me the eye).

I see it coming,
Like a promise,
Like a rocket,
In the night.

You know you're driving me round the bend,
and up the wall,
You think your Mr Friday night,
you're so rock n roll...
