### **"Anna Marie (All We Need)"**

This is the fight  
You can win  
My hands are tied  
Giving in  
I know you can't see  
But trust me  
Believe

Cause were on the beach  
Side by side  
There's sand in our toes  
Tonight  
The moonlight  
The waves  
Chasing our feet

Take me down

My heart beats faster when I'm with you  
'Cause I know that you would want me to  
I swear to hell I'll never leave  
Cause I know one thing  
Love is all we need

Let's live tonight  
Like our last  
We'll streak through the town  
Living fast  
'Cause naked, we came  
So naked, we leave

And we saw the world  
Dying down  
So we lived it up  
Stole the crown  
And now that we are free  
Let's get out  
And breathe

Take me down

My heart beats faster when I'm with you  
'Cause I know that you would want me to  
I swear to hell I'll never leave  
Cause I know one thing  
Love is all we need

Are you ready  
We'll do this together  
We'll make this forever  
I know you don't want me to go  
I could see  
You were waiting for me  
You got love in your eyes  
Now it's time  
To lose all our control

Cause were on the beach  
Side by side  
There's sand in our toes  
We're alive  
Feel the weight of your kiss  
Crashing down  
On my lips

[x2]

My heart beats faster when I'm with you  
'Cause I know that you would want me to  
I swear to hell I'll never leave  
Cause I know one thing  
Love is all we need

Love is all we need  
Love is all we need
