I never knew there'd come a day
When I'd be saying to you
"Don't let this good love slip away
Now that we know that it's true"

Don't, don't you know the kind of man I am?
No, said I'd never fall in love again
But it's real and the feeling
Comes shining through

I'm so caught up in you, little girl
And I never did suspect a thing
So caught up in you, little girl
That I never want to get myself free

And baby, it's true
You're the one who caught me
Baby, you taught me
How good it could be

It took so long to change my mind
I thought that love was a game
I played around enough to find
No two are ever the same

You made me realize the love I missed
So hot, love, I couldn't quite resist
When it's right the light
Just comes shining through

I'm so caught up in you, little girl
You're the one that's got me down on my knees
So caught up in you, little girl
That I never want to get myself free

And baby, it's true
You're the one who caught me
Baby, you taught me
How good it could be

Fill your days and your nights
No need to ever ask me twice, oh no

Whenever you want me

And if ever comes out a day
When you should turn
And walk away, oh no
I can't live without you

I'm so caught up in you

And if ever comes a day
When you should turn
And walk away, oh no
I can't live without you

I'm so caught up in you, little girl
You're the one that's got me down on my knees
So caught up in you, little girl
That I never want to get myself free

And baby, it's true
You're the one who caught me
Baby, you taught me
How good it could be, little girl

You're the one that's got me down on my knees
So caught up in you, little girl
That I never want to get myself free

And baby, it's true
You're the one who caught me
And taught me
You got me so caught up in you

So caught up in you
