You wear this crown does it make you feel,
Like everyone is listening hanging on your every word.
I'm staring at your insides and i see what's running
through you,
Why won't you ever let this go.
You used to be my worst enemy clever and you're
thinking of ways to get out of this one.
What we had wasn't always easy, what we had wasn't
all that bad.

Always, i am drawn closer to the end,
I will always remember you even through all the worst
times
That we've had and you were always there for me.
Hands down you're the best thing yet that's happened
And still everyone listens to you...
