### "It Would Take Something Like This For Us To Forget"

Are you so ashamed of me tonight  
That you can't look me in the eye  
That you can't look me in the eye

Oh, you will find another place to call  
Away from here to be alone

Are you a drug that I can't resist?  
You are so bad for the both of us, so:  
Are you a drug that I can't push away?  
Give me everything you can and don't hold back  
anything

And is it so easy to change the way you are?  
Or did you forget who you were?  
Or did you forget who you were?

(Tell me everything)  
Tell me, tell me everything you expect to hear  
Because I don't know how to say this  
(Tell me everything)  
I know I'll never be ?? before

Oh, you may find another place to call  
Away from here to be alone

Are you a drug that I can't resist?  
You're so bad for the both of us, so:  
Are you a drug that I can't push away?  
Give me everything you can and don't hold back  
anything

Don't hold back anything at all  
Don't hold back anything  
Don't hold back anything

Are you a drug that I can't resist?  
You'll be the death of the both of us, oh

(Are you a:)  
Are you a drug that I can't push away?  
Give me everything you can and don't hold back  
anything  
Whoa!
