When heaven seems so far away
And dreams are just a memory
Without the dark the light won't show
Remember that you're not alone.

When you watch the world just turn away
And break the promises you made
When love is all too hard to hold
Just take a breath and let it go

Woahoa-ooohhh woahoa-oooahohhhh woahoa-ooohhh
Just keep breathing breathing breathing
Woahoa-ooohhh woahoa-oooahohhhh woahoa-ooohhh
Just keep breathing breathing breathing

2am to sad to sleep
When what you want is not what you need
And when these walls don't feel like home
Remember that you're not alone

The beginnings just another end
It's not too late to start again
When hope is all too hard to hold
Just take a breath and let it go

Woahoa-ooohhh woahoa-oooahohhhh woahoa-ooohhh
Just keep breathing breathing breathing
Woahoa-ooohhh woahoa-oooahohhhh woahoa-ooohhh
Just keep breathing breathing breathing

Ohhhh ohhh ohhhhhhhhhh
Ohhhh ohhh ohhhhhhhhhh

When heaven seems so far away
And dreams are just a memory
When love is all too hard to hold
Just take a breath and let it

Woahoa-ooohhh woahoa-oooahohhhh woahoa-ooohhh
Just keep breathing breathing breathing
Woahoa-ooohhh woahoa-oooahohhhh woahoa-ooohhh

Just keep breathing breathing breathing
