I know it's deep
I'm letting go of your arm
Just let me know,
If i fall will
I be broken by the rocks beneath the lies.
It's violence now
It's all we take our hands our tied
Our eyes awake will
We wonder what tomorrow brings
Or follow the disguise.
So take what is yours and leave me
What is mine to have in memory of you
Because i'm losing my friend.

Memories that they never tell
You can't justify the means within,
To make decisions for my own and for you.
You're all i have without you i drown.
You told me that you wanted something more,
I can't believe you when you say
You don't care and when you're all alone
And you want something more
I can't believe what you say
When i'm with you
