Hey there hey, hey someday
Can I wake up with you
Hey there hey, don't delay
That's the last thing you should do

Won't you take my remedy
I got cheap words and wine
Have a drink say anything
And I'll sing you a lullaby

So baby are you in or are you out now
Tell me if you're lonely in this crowd
I am paying overtime
And you're the only game in town

Baby sleep with me
You got my heartbeat beating tonight
Sleep with me
Will I see you when I open my eyes
Baby sleep with me
So wake up here in my arms
Sleep with me
I want you to want no one else
Other than me

Hey there hey, don't hesitate
I've been waiting too long
Hey there hey, believe in me
Cause all your friends are wrong

So baby are you in or are you out now
Tell me if you're lonely in this crowd
I am paying overtime
And you're the only game in town

Sleep with me
You got my heartbeat beating tonight
Sleep with me
Will I see you when I open my eyes
Baby sleep with me
So wake up here in my arms
Sleep with me

I want you to want no one else
Other than me

Do you even know
How you light the room
I was blinded but now I see
The only thing I want is you and me

Sleep with me
You got my heartbeat beating tonight
Sleep with me
Will I see you when I open my eyes
Baby sleep with me
So wake up here in my arms
Sleep with me
I want you to want no one else
Other than me
