When heaven seems so far away
And dreams are just a memory
Without the dark the light won't show
Remember that you're not alone.
When you watch the world just turn away
And break the promises you made
When love is all too hard to hold
Just take a breath and let it go
Woahoa-ooohhh woahoa-ooohhh woahoa-ooohhh
Just keep breathing breathing breathing
Woahoa-ooohhh woahoa-ooohhh woahoa-ooohhh
Just keep breathing breathing breathing
2am to sad to sleep
When what you want is not what you need
And when these walls don't feel like home
Remember that you're not alone
The beginnings just another end
It's not too late to start again
When hope is all too hard to hold
Just take a breath and let it go
Woahoa-ooohhh woahoa-ooohhh woahoa-ooohhh
Just keep breathing breathing breathing
Woahoa-ooohhh woahoa-ooohhh woahoa-ooohhh
Just keep breathing breathing breathing
Ohhh ohhh ohhh
Ohhh ohhh ohhh
When heaven seems so far away
And dreams are just a memory
When love is all too hard to hold
Just take a breath and let it
Woahoa-ooohhh woahoa-ooohhh woahoa-ooohhh
Just keep breathing breathing breathing
Woahoa-ooohhh woahoa-ooohhh woahoa-ooohhh
Just keep breathing breathing breathing
