I want to be the picture on your wall
I want to chase you around until we fall
I want to be the one you write about
I want to be the one who never lets you down

Right now I feel like I'm
Losing control
Losing control

Hey, hey, hey, hey
My head is spinning cause of you
Hey, hey, hey, hey
You've no clue what you do
Your the storm, and the rain
You've got eyes like a hurricane
Hey, hey, hey, hey
You've no clue what you do to me
You've no clue what you do to me

I can make you laugh until you cry
I can tell your mood just by your eyes
I can sleep with your head on my cheek
And I could be the one you never want to leave

Right now I feel like I'm
Losing control
Losing control

Hey, hey, hey, hey
My head is spinning cause of you
Hey, hey, hey, hey
You've no clue what you do

Your the storm, and the rain
You've got eyes like a hurricane
Hey, hey, hey, hey
You've no clue what you do to me

And we'll both fall, we'll lose it all
We'll have each other
And we won't make the same mistake
Cause we have had it together

And we're both smarter than before
We have have been through the world
And we know that there is more
When you find the one that you're looking for

Hey, hey, hey, hey
My head is spinning cause of you
Hey, hey, hey, hey
You've no clue what you do

Hey, hey, hey, hey
My head is spinning cause of you
Hey, hey, hey, hey
You've no clue what you do
Your the storm, and the rain
You've got eyes like a hurricane
Hey, hey, hey, hey
You've no clue what you do to me
You've no clue what you do to me
You've no clue what you do to me
