Brit:

If I could just find the lost vibe
Then we could share our love with the whole world
And you know what we get then, don't you babes
We get it all

Adventure seeker on an empty street
Just an alley creeper, light on his feet
A young fighter screaming, with no time for doubt
With the pain and anger I can't see a way out

It ain't much I'm asking, I heard him say
Gotta find me a future move out of my way
I want it all, I want it all, I want it all, and I want it now

Both:

My name in lights at Carnage Hall
I want it all, and I want it now

Meat:

Listen all you people, come gather round
I'm gonna get me a game plan
Gonna shake you to the ground
Times Square, jet setters, sequels pay better
New York today, tomorrow the world

And the Oscar® goes to, if you want the truth
Here's to the future hear the cry of youth

Both:

I want it all, I want it all, I want it all, and I want it now

I want it all, I want it all, Radio, City Music Hall

Meat:

And I want it now!

Brit:

I'm a man with a one track mind
So much to do in one lifetime
People do you hear me

Meat:
When Broadway knows your name
You know that you're a star

Brit:
So I'm living it all

Meat:
Yes I'm living it all

Brit:
And I'm giving it all

Meat:

She wants you on the show
We're gonna have to get back to you!

I want it, I-I-I want it, want it
I want it, I want it, I-I-I-I want it all!
I want it, I-I-I want it, want it

I want it, I-I-I want it, want it
I want it, I want it, I-I-I-I want it all!
I want it, I-I-I want it, want it
