The captain steals my attention  
The siren steals my attention  
The way the ashes blast smoke steals my attention  
The way the colour in your face grows steals my attention

The way I could but Iâ'd better not X 4

Anchors away, Iâ'm not the ball you dropped to keep yourself in place X 2  
Anchors away oh X 2

You donâ't know what you do to me X 2  
You creep me out when youâ're in my mouth  
You donâ't know what you do to me X 2  
You creep me out when youâ're in my mouth, like you are now

I have a lover and his name is sleeping in X 2  
I have another lover and her name is loving me X 2  
And waking up is what else but my enemy X 2  
My enemy

Oh anchors away, Iâ'm not the ball you dropped to keep yourself in place X2  
Anchors away, oh X 2
