Yours is the only cancer I accept
Yours is the only cancer I accept

Because it's you in my lungs
And I cough you up for days
For days

I can cough you up for days
Because it's you in my lungs
And I cough you up for days
For days

It's you in my lungs
And I cough you up for days
For days

Roof to bench to leathery ground
Roof to bench to leathery ground

Roof to bench to leathery ground
Roof to bench to leathery ground
Roof to bench to leathery ground

And I kick dirt up and into the air
And I kick dirt up and into the air

Away and under
Away and under
Away and under
Away and under

And I kick dirt up and into the air
And I kick dirt up and into the air

Away and under
(Away and under)
Away and under
(Away and under)

It's you in my lungs
And I cough you up for days

Roof to bench to leathery ground
Roof to bench to leathery ground
Roof to bench to leathery ground
Roof to bench to leathery ground
Roof to bench to leathery ground
