Waking up at two a.m.,  
I find myself alone again  
And your, on my mind  
And the voices coming from the TV  
Playing these games, I can't believe  
That your not coming back,

Cause I could tell you why the stars don't shine.  
And if there is a reason you left,  
Then its all in your head.  
And I, I'm not gonna sleep a wink tonight  
Not gonna sleep tonight.

Tell me are you happy now?  
Call me when you come into you senses  
Oh yeah  
Cause Novembers never felt this cold  
December really hit me oh.  
I need you so bad.

Cause I could tell you why the stars don't shine.  
And if there is a reason you left,  
Then its all in your head.  
And I, I'm not gonna sleep a wink tonight  
I'm not gonna sleep tonight.

Tonight.  
Tonight.  
Tonight.  
Ohhhh.  
Ohhhh.  
Ohhhhhh.  
Ohhhhhhhhh.

Cause I could tell you why the stars don't shine.  
And if there is a reason you left,  
Then its all in your head.  
And I, I'm not gonna sleep a wink tonight  
I'm not gonna sleep tonight.

Oh, I could tell you why the stars don't shine.

And if there is a reason you left,  
Then its all in your head.  
And I, I'm not gonna sleep a wink tonight  
I'm not gonna sleep tonight.  
Tonight. I'm not gonna sleep tonight.
