You dropped your coat by the door
I ran outside to watch you drive away from me
And my eyes, they won't believe
My heart is trying desperately to beat

And lately I'm speeding up my breathing
And my hands are shaking all the time

'Cause I don't want to let you go
And I can't sleep or breathe when I'm alone
If I could just go back in time
I wouldn't make the same mistakes
If I could just go back in time

I'm looking at what we wrote
In old postcards, and counting the times you'd repeat
yourself
And I just want to hold you
no I just, I just can't let you go
(I just can't let you go)

'Cause I don't want to let you go
And I can't sleep or breathe when I'm alone
If I could just go back in time
I wouldn't make the same mistakes
If I could just go back in time

'Cause I don't want to let you go
And I can't sleep or breathe when I'm alone
If I could just go back in time
I wouldn't make the same mistakes
If I could just go back in time

'Cause I don't want to let you go
And I can't sleep or breathe when I'm alone
If I could just go back in time
I wouldn't make the same mistakes
If I could just go back in time

'Cause I don't want to let you go
And I can't sleep or breathe when I'm alone

If I could just go back in time
I wouldn't make the same mistakes
If I could just go back in time

I wouldn't make the same mistakes
If I could just go back in time
