Heres another rainy day
To complete my luck
And I lost everything
Because she was the light in my sun
And the life in my body is slipping away
And I made my mistakes
And I'm screaming Oh, Oh, Oh.
What am I supposed to do?
I can't get to you.
So lets go back to where we started.

Yea, before I messed up.
And I broke your heart.
Cause I can't take it.
So goodnight, and good luck.
And I guess we'll stay stuck in this mess we created.

And I miss the way she combed her hair
Yeah, tucked behind her ear
She walks as if shes on thin air.
And I screaming, Oh, Oh, Oh.
Oh, I feel so lost without you.
Please come back to me.
And take me back to where we started.

Yea, before I messed up.
And I broke your heart.
Cause I can't take it.
So goodnight, and good luck.
And I guess we'll stay stuck in this mess we created.

Well now the sun never comes out.
The rain and the clouds take control of the sky.
Girl, let me dry your pretty eyes.
Cause I can fix anything

Yea, before I messed up.
And I broke your heart.
Cause I can't take it.
So goodnight, and good luck.
And I guess we'll stay stuck in this mess

Oh, I guess well stay stuck in this mess
Yeah, Tonight.
