You said you didn't need her  
You told her good-bye (good-bye)  
You sacrificed a good love  
To satisfy your pride  
Now you wished  
That you should have her (have her)  
And you feel like such a fool  
You let her walk away  
Now it just don't feel the same  
Gotta blame it on something  
Gotta blame it on something

Blame it on the rain (rain)  
Blame it on the stars (stars)  
Whatever you do don't put the blame on you  
Blame it on the rain yeah yeah  
You can blame it on the rain  
Get  
Ooh, ooh (ooh)  
I can't, I can't. I can't, can't stand the rain  
I can't, I can't. I can't, can't stand the rain  
Yeah, yeah  
Should've told her you were sorry (sorry) huh  
Could have said you were wrong  
But no you couldn't do that. No, no  
You had to prove you were strong ooh  
If you hadn't been so blinded (blinded)  
She might still be there with you  
You want her back again  
But she just don't feel the same  
Gotta blame it on something  
Gotta blame it on something

Blame it on the rain that was falling, falling  
Blame it on the stars that did shine at night  
Whatever you do don't put the blame on you  
Blame it on the rain yeah yeah

You can blame it on the rain  
Cos the rain don't mind  
And the rain don't care  
You got to blame it on something

(Blame it on the rain)  
(Blame it on the stars)  
Whatever you do don't put the blame on you  
Blame it on the rain yeah, yeah  
You can blame it on the rain  
Girl

Ooh, ooh (ooh)  
Girl  
I can't, I can't. I can't, can't stand the rain  
I can't, I can't. I can't, can't stand the rain

Get  
Girl  
(Whatever you do...)  
(Blame it on the rain yeah, yeah) x 3  
You can blame it on the rain, blame it on the rain,  
blame it on the rain baby  
(Blame it on the rain yeah yeah)  
Blame it on the stars that did shine that night  
(Blame it on the rain yeah yeah)  
Blame it, blame it on the rain  
woo  
I'm walking  
I'm walking

Walking in the rain  
Walking in the rain

(Rain, rain)  
(Stars, stars)  
Whatever you do don't put the blame on you  
(Blame it on the rain)  
yeah yeah  
(Blame it on the rain)  
that keeps falling, falling  
(Blame it on the stars)  
that did shine that night  
Whatever you do don't put the blame on you  
Blame it on the rain yeah yeah  
Blame it on the rain (rain, rain)
