Do what you wanna do.
Tell ya, Who to sock it to.
I know it's your thing.
You can do what you like,
But if you want some good loving don't take all night.
I knew it from the start you had a real big heart.
Tried to hide what you feel when you shouldn't just
chill.
You like bein' served with a silver spoon.
Well, you met the right guy, never serve too soon.
Oh, I like the way you talk when you look in my eye.
I can read between the lines, let's go for a ride.
If you want me to love you, maybe I will.
Believe me woman, it ain't no big deal.
Hon' you need love now, just as bad as I do.
Makes me no difference, now, who you give your thing
to.
Ow, it's your thing.
Do what you wanna do.
Oh, baby I can't tell you,
Who to sock it to.
It's your thing,
Do what you wanna do.
Now, girl I can't tell you, who to sock it to, hey!
It's your thing.
Ah, do what you wanna do, do.
Baby I can't tell you who to sock it to.
It's your thing.
Do what you wanna do, do.
Now, girl I can't tell you
Who to sock it to.
Have no time to run your life.
I know you wanna, do, do what's right.
Oh, give your love girl to 'ever you choose.
How can you lose, uh, with the stuff you use.
Oh, it's your thing.
Do what you wanna do, do.
Girl I can't tell you, who to sock it to.
It's your thing, yeah,
Do what you wanna do.
Oh, baby I can't tell you
Who to sock it to.

It's your, who
