I wouldn't go halfway down the street
For all of the girls that I could meet.
But I'd all of the way 'round the world
To be with you.

I wouldn't take one step in the park
For all of the girls there in the dark.
But I'd all of the way 'round the world
To be with you.

A girl could be
Right close to me.
Ohh, I wouldn't care.
But I'd go in the
Lion's den
If you were there.

No, I wouldn't reach out an inch or more
For all of the girls I kissed before.
But I'd all the way 'round the world
Yes, all the way 'round the world
All the way 'round the world to be with you.

Oh, I wouldn't go halfway down the street
For all of the girls that I could meet.
But I'd all of the way 'round the world
To be with you.

Yes, I wouldn't take one step in the park
For all of the girls there in the dark.
But I'd all of the way 'round the world
To be with you.

Now some folks think that I'm insane
Oh no, not I.
For I just took one look at you
Baby, and I hit the sky.

Baby, I wouldn't reach out an inch or more
For all of the girls I kissed before.
But I'd all the way around the world
Yes, all the way 'round the world

All the way 'round the world to be with you.
