Yip yip yip yip yip yip boom

[CHORUS]

Sha la la la, sha la la la la, ba doom

Sha la la la la, sha la la la la, ba doom

Sha la la la la, sha la la la la, ba doom

Yip yip yip yip yip yip yip

Boom boom boom boom boom boom boom boom

Get a job, sha la la la la, sha la la la la

Every morning about this time

She gets me out of my bed

A crying for a job

After breakfast everyday

She throws the wanted ads my way

And never said get a job

[Repeat CHORUS]

Well, when I get the papers

I read it through and through

And my girl never fails to say

If there is any work for me

Then I get back to the house

Hear that woman's mouth

Preaching and a crying

Telling me that I'm lying

'Bout a job that I never would find

[Repeat CHORUS]

Well, when I get the papers

I read it through and through

And my girl never fails to say

If there is any work for me

Then I get back to the house

Hear that woman's mouth

Preaching and a crying

Telling me that I'm lying

'Bout a job that I never would find

(CHORUS)

A job (sha la la la la...)

Get a job (sha la la la la...)
