Moaning
Moaning
Moaning for you
I can't go on like this
Just moaning for you

I'm raving and craven all the day through
Life holds no charms for me
It's just a braille luv in blue

Now won't you come back
Heidy Heidy
Oh how I miss you
Holly Holly
And long to kiss you
Heily Heily
Won't you hold me close to you za-zu-za-zu-zi

Oh baby, oh baby
What shall I do
I can't go on like this
Cos I'm just moaning for you
You say you're moaning
I'm moaning moaning

Moaning for you
I can't go on like this
Just moaning for you
I'm raven and craven all the day through
Life holds no charms for me
It's just a braille luv in blue

Now won't you come back Holly Holly
How I miss you Heidy Heidy
I long to kiss you Heily Heily
Hold me close to you za-so-za-zi-wa-zi
Oh baby, oh baby
What shall I do
I can't go on like this
Cos I'm just moaning for you
I can't go on

What shall I do
Moaning for you
