When you've climbed  
The highest mountain  
When a cloud holds  
The sunshine in

Suddenly, there's a valley  
Where the earth knows  
Peace with man

When a storm hides  
The distant rainbow  
And you think you  
Can't find a friend

Suddenly, there's a valley  
Where friendships never end

Touched only by the seasons  
Swept clean by the waving grain  
Surveyed by a happy bluebird  
And kissed by the falling rain

When you think  
There's no bright tomorrow  
And you feel you  
Can't try again

Suddenly, there's a valley  
Where hope and love begin
