woe is me
I'm standing in line for the first time in a mighty long
time
But it feels good to be a jerk i'm just a loser on his way
to work
Cause i need cash to pay my bills
And buy some groceries to eat my fill
But i'm pissed off cause no one cares
They walk on by me like i ain't ever there

Chorus
So I'm blowin' my stack
Blowin' my stack
It makes me feel good
Blowing my stack
Blowin' my stack
It makes me feel good

So easy to roll through life
You know the answers but you don't know why
You just stand tall and move ahead
your heart it beating but you wind up dead
Cause you can't feel any love inside
It tries to find you but you run and hide
Cause your so scared (so scared) so scared (so
scared)
And I'm scared too

Chorus
So I'm blowin' my stack
Blowin' my stack
It makes me feel good
Blowing my stack
Blowin' my stack
It makes me feel good

guitar solo

I'm too tired to fight
I'm too tired to fight
I'm too tired to fight!
I'm too tired to fight

Fight, fiiiiight

Chorus

Aaaaah I'm blowin' my stack

Blowin' my stack, blowin' my stack

It makes me feel good

Blowing my stack, blowin' my stack

It makes me feel good
