We go together baby
And if you do.
Yeah.
I'll be your weakness baby
And get to you.

Streamline,
Mainline,
Fall together,
Get up.

Anytime you want me baby
I'll be around.
Yeah.
And that's what they teach you baby,
To dig my sound.

Streamline,
Mainline,
Fall together,
Get up.

Get up, get up.
Yeah.

(Solo)

Streamline,
Mainline,
Fall together,
Get up.

Get up, get up.
Yeah, yeah, yeah.
