I'm a good guy for a gal  
So won't you look my palm over  
I've got time for a chat  
So won't you tell me my future

I'm gonna break down at fifty  
And I'm not quite a stallion  
I'm a good guy for a gal  
And I'm mentally slipping

Oh yeah, oh yeah, whats that you see?"  
Oh boy, find out, whats up with me  
Oh yeah, oh yeah, whats that you see"  
Tell me, more of what's gonna be

If your friends with P.

Well then your friends with me  
If you down with P.  
Well then your down with me  
Friends of P.  
Friends of P.  
Friends of P.  
Friends ooh woo hoo hoo

Somebody's fame and fortune  
Is gonna come to me early  
I get two loves in my life  
And I'm dying at 90
