I don't feel the joy  
I don't feel the pain  
You were just a toy  
I am just insane

Walkin' on my own  
Leaving you behind  
You were cryin' out  
That you need to speak your mind

Oh, so alone in love  
So alone in love  
(I am going to haunt you every day)  
I'm going to haunt you every day  
Haunt you every day

I am gonna kill  
When I need a thrill  
Eating at the heart  
Till I've had my fill

When will stupid learn  
Fire's gonna burn  
Think of consequence  
Then you move when it's your turn

Oh, so alone in love  
So alone in love  
(I am going to haunt you every day)  
I'm going to haunt you every day  
Haunt you every day

Walkin' on my own  
Leaving you behind  
You were cryin' out  
That you need to speak your minds

Oh, so alone in love  
So alone in love  
(I am going to haunt you every)  
I'm going to haunt you every day  
Haunt you every day

(I am going to haunt you every day)  
Haunt you every day  
Haunt you every day
