I am terrified of all things..
Frightne of the dark
I am...
You are...
Taller than a mountain...
Deeper than the sea...
You are...

HOLD ME...
HOLD ME...
Take me with you cuz im lonely..

I was...
Closer to you back then..
I was happier..
I was..
You are...
Fading further form me ...

why dont you come home...
to me...

HOLD ME!!
HOLD ME!!
Take me with you cuz im lonely
I am!!
I am!!
Cold...
HOLD ME!!

HOLD ME...
HOLD ME
Take me with you cuz im lonely...
HOLD ME
HOLD ME
Take me with you cuz im lonely...
Hold me
Hold me.
