I didn't hope for much  
I was used  
To how things were  
Even though I was not sure  
You say  
I was throwing it away  
And I never learned to heal

I can't believe what I see  
After all this time  
It is meant to be

Help me believe  
Believe  
Believe  
That I can love  
I can love (x7)

I guess it goes to show  
That you never should give up  
Even when you're out of luck  
You might  
Find an angel in your sight  
Who turns everything around

I can't believe what I see  
After all this time  
It is meant to be

Help me believe  
Believe  
Believe  
That I can love  
I can love (x7)

Help me believe what I see  
After all this time  
It is meant to be

Help me believe  
Believe  
Believe

That I can love  
I can love
