The moon was shining on the lake at night  
The slayer T-shirt fit the scene just right  
Through smeared mascara  
I looked into your eyes and saw a light

You told me stories about your chickadees  
They didn't like BB guns or stupid archery  
You charmed the lifeguard  
He let them use the pool all day for free

Then the conversation stopped  
And I looked down at my feet  
I was next to you and you were right there next to me  
Then I said

Girl, if you're wondering if I want you to (I want you to)  
I want you to  
So make them move (make them move)  
cause I ain't got all night

The rest of the summer was the best we've ever had  
We watched titanic and it didn't make us sad  
I took you to Best Buy  
You took me home to meet your mom and dad

Your mom cooked meat loaf, even though I don't eat  
meat  
I dug you so much, I took some for the team  
Your dad was silent  
His eyes were fixed to what was on TV

And the conversation stopped, and I looked down at the  
ring  
Your folks were next to you  
And you were right there next to me  
And I said

Girl, if you're wondering if I want you to (I want you to)  
I want you to (I want you to)  
I swear it's true (swear it's true)  
Without you my heart is blue  
Girl, if you're wondering if I want you to (I want you to)

I want you to (I want you to)  
So make the move (make the move)  
cause I ain't got all night

So much pain may come our way  
There may come a day when we have nothing left to  
say

When the conversation stops and we're facing our  
defeat  
I'll be next to you and you'll be right there next to me  
Then I'll say

Girl, if you're wondering if I want you to (I want you to)  
I want you to (I want you to)  
I swear it's true (swear it's true)  
Without you my heart is blue, oh  
Girl, if you're wondering if I want you to (I want you to)  
I want you to (I want you to)  
So make the move (make the move)  
Cause I ain't got all night
