You try to play cool like you just dont care
But soon I'll be playin in your underwear
I'm like a mage with a magic spell
You come like a dog when I ring your bell

I've got the money and I've got the fame
You got the hots to ride on my plane
You giving me all that I desire
Cause down with me Im taking you higher

Im the baddest of the bad
Im the best that you've ever had
Im the top of my game
All the girls get up when I sing, yeah

Im the meanest in the place
Step up I'll mess with your face
I dont care where you are
Look up and follow the star

I'm gonna tear down the wall
I may not be here when you call
So best be giving me your all

After the Havoc that Im gonna to wreak
No more words will critics have to speak
I've got the answers to the tangled knot
Sleep tight in your cot

Oh baby, I've been told that I've gone crazy
Oh baby, I can't be held down
Oh baby, somehow Im keeping it steady
Oh baby, I'm tearing up this town

Hey this is what I like
Cut my heart with a modest cry
Hey this is nothing new
Ive got more than enough for you

I can take on anybody
I can do my thing

I dont wanna hurt nobody but
a bee has got to sting

Im'a fix it if you mix it up
hoot hooo
Talk smack and Im'a gonna shut you up
hoot hooo

I am the greatest man that ever lived
I was born to give
I am the greatest man that ever lived
Ohh radioactive

Somebody said all the world is a stage
and each of us is a player
that's what I've been trying to tell you

In ACT I, I was struggling to survive
nobody wanted my action dead or alive

In ACT II, I hit the big time
and bodies be all up on my behind
and I cant help myself
cause I was born to shine

If you dont like it, you can shove it
But you dont like it, you love it

So I'll be up here all in a rage
Til they bring the curtain down on this stage

Im the greatest man that ever lived
??????????
??????????

I am the greatest man that ever lived
I was born to give and give and give
I am the greatest man that ever lived
radio-a (di-oa) Di-oa (Di-oa)

I am the greatest man that ever lived
I was born to give
