MotoLyrics

Thank god breath of life Has come to make us right, right, right

Use any method Break any law Ignore the feelings Just make it raw

We justify our acts When we provoke a laugh, laugh, laugh

Time is swallowing All these little songs we sing

[lead break]

We justify our acts When we provoke a laugh, laugh, laugh

Time is swallowing All these little songs we sing

Use any method Break any law Ignore the feelings Just make it raw

Talk to our bodies Say what you will Without our numbers Are we a pill?

oooh, oooh-ohhh
