I wanna go
To see your house,
To see how you're living.
(Living without you)

And if you care,
I'm wanting you
From such a distance.
(Living without you)

And if you want to try
To speak to me again
I'll be your best of friends.
Whoa, ohhh, ohhh.
And I want you.
Ohhh, ohhh, oohh.

The things you wrote
To cut me off
When I was trying.
(Living without you)

To get with you,
To be your friend,
Made me feel so bad.
(Living without you)

And if you want to try
To speak to me again
I'll be your best of friends

Whoa, ohhh, ohhh.
And I want you.
Ohhh, ohhh, oohh.

Yeah, sweet girl
I need you.
Yeah, I think it could be so good.

(Instrumental interlude)

(Living without you)

(Living without you)

And if you want to try
To speak to me again
I'll be your best of friends
Whoa, ohhh, ohhh.
And I want you.
Ohhh, ohhh, ohhh.

Yeah, sweet girl
I need you.
Yeah, I think it could be so good.
