"Longtime Sunshine"

sometimes i wanna pack it all up, get on a bus and
move to vermont
or maine, or any of those states back east that i
remember
sometimes i wanna go back to school to an east coast
college with some history
i'd be satisfied, i know, in the simple things

longtime sunshine, longtime sunshine upon me

sometimes i wanna build a house with a woodstove or a
fireplace
in the middle of the living room an old piano
sometimes it don't seem so bad to settle down with a
good woman
leave this lonely life behind forever and ever

longtime sunshine, longtime sunshine upon me
longtime sunshine, longtime sunshine upon me

sometimes i wanna get in a car, close my eyes and
drive real fast
keep on going 'til i get some place where i can truly
rest

longtime sunshine, longtime sunshine upon me
longtime sunshine, longtime sunshine upon me
