Everybody  
Love your body  
'Cause it's here that you got to stay

Take you chances  
Find romances  
But you still got your bills to pay

When nothin's on my mind  
She can't be far behind  
Oh, beggin' me to stay  
Or pushing me to crime

And I feel so helpless everytime

Mr. Taxman can you hear me?  
'Cause I know that you got one too  
Down your jock strap  
Don't you talk back  
'Cause she's still got a hold of you

When nothin's on my mind  
She can't be far behind  
Oh, beggin' me to stay

Or pushing me to crime

And I feel so helpless everytime  
That's what you get for being blind

When nothin's on my mind  
She can't be far behind  
Oh, beggin' me to stay  
Or pushing me to crime

And I feel so helpless everytime  
That's what you get for being blind

Mr. Taxman can you hear me?  
'Cause I know that you got one too  
Yes I know that you got one too  
Yes I know that you got one too
