Hi, hello Miss, Sweeney could you please come in my
office for a second?
I'll be heading home for today and I thought it would be
good for you and
me to check in.
I met with the gal from expo and they do have the slab
cabinets in white.
She thinks that we can take the measurements down at
the site.

If we would do that, it would be fine Miss Sweeney
That's all I got to say to you in this time Miss Sweeney

Actually, there's one other thing on my mind...

Girl, you make the rainclouds disappear
The sun always shines when you're near
I'm waiting until you love me
Sweeney...

I'm so sorry, Miss Sweeney, I don't know where that
came from
I think I was overcome by a spontaneous emotion
Anyway the cash deposit of 5000 dollars will need to be
sent to the property owner tomorrow

If there are any problems with the deposit or contract,
don't be afraid to holler
I don't want to have to approve each stinking dollar that
we borrow
Aww forget it,
Miss Sweeney...

Girl, you make the rainclouds disappear
The sun always shines when you're near
I'm waiting until you love me

Miss Sweeney, I gotta admit the truth,
I am totally head-over heels in love with you
Everyday you come to the office looking fine
Maybe its the suit clinging tightly to your spine

You ask me if I'm ready to get down to work.
Sweeney baby, I'm ready

Be my...

Girl, you make the rainclouds disappear
The sun always shines when you're near
I'm waiting until you love me

Girl, you light the skies of my life
I swear I will make you my wife
I'm waiting until you love me
Sweeney...
Sweeney...
