Michael had been shot many of times,  
But Loomis realised it wasn't easy for  
Him to die! So the shape escaped without  
A trace, and body after body he left a  
Horrible disgrace.

Dr. Loomis figured out with total con-  
Centration, that Samhain, demonic ritual  
Of pain, was Michael's celebration.  
And his only mode was to search and  
Kill his sister, Laurie Strode.

[Chorus:]  
Halloween II-The Shape strikes  
Again. The night isn't over, until he meets  
The end. He'll search throughout every neigh-  
Borhood, slashing his way, until he kills  
His sister in cold blood.

[Solos: J.D., M.S.]

[Chorus]
