When I'm stable long enough  
I start to look around for love  
See a sweet in floral prints  
My mind begins the arrangements  
But when I start to feel that pull  
Turns out I just pulled myself  
She would never go with me  
Were I the last girl on earth

I'm dumb, she's a lesbian  
I thought I had found the one  
We were good as married in my mind  
But married in my mind's no good  
Pink triangle on her sleeve  
Let me know the truth  
Let me know the truth

Might have smoked a few in my time  
But never thought it was a crime  
Knew the day would surely come  
When I'd chill and settle down  
When I think I've found a good old-fashioned girl  
Then she put me in my place  
If everyone's a little queer  
Can't she be a little straight?  
I'm dumb, she's a lesbian  
I thought I had found the one  
We were good as married in my mind  
But married in my mind's no good  
Pink triangle on her sleeve  
Let me know the truth  
Let me know the truth  
Let me know the truth

I'm dumb, she's a lesbian  
I thought I had found the one  
We were good as married in my mind  
But married in my mind's no good  
Pink triangle on her sleeve  
Let me know the truth  
Let me know the truth

I'm dumb, she's a lesbian  
I thought I had found the one  
We were good as married in my mind  
But married in my mind's no good  
Pink triangle on her sleeve  
Let me know the truth  
Let me know the truth  
Let me know the truth  
Let me know the truth
