Saturday Night
Ooh how I love that song
Prove to me that I'm wrong
The night away

Give to me girl
All of the love that I need
Ooh, when I'm hungry I feed
The night away

Dreams will never happen to you
Once you feel that freedom is true
I'll be with you

Planting your seed
Deep in the heart of the earth
Fall to my knees and give birth
The painful way

Watching it grow
Never again will I weep
Now that you tore me apart
The night away

Dreams will never happen to you
Once you feel that freedom is true
I'll be holding on
Holding on

So in love with yourself
With you...

Dreams will never happen to you
Once you feel that freedom is true
I'll be holding on
Holding on

So in love with yourself
With you...
With you...
With you...
