In your room
In your eyes
Silver spoon
Big surprise

In the darkest of days
I will love you some way

I need love
Babe I need love
And I want you to know, so low

In your eyes
In your days
And the room
Chips away

In the darkest of hours
I will lean in your power

I need love
Babe I need love
And I want you to

Take back the love you gave me baby
Sometimes you drive me crazy baby
This time I want you cryin' alone
Oh, so low

In the darkest of hours
I will lean in your power

I need love
Babe I need love
And I want you to

Take back the love you gave me baby
Sometimes you drive me crazy baby
This time I want you cryin' alone

Whoa, so low
