How is your heart little darling?
I didn't mean to get so mad.
Let me just hold you closely.
How did things get so bad?
I know how to pick on you.
You pushed me over the edge.
We caused so much agony.
We can't seem to move ahead.

This is such a pity.
We should give all our love to each other.
Not this hate that destroys us.
This is such a pity
(This is such a pity)

What kind of future will we have?
Will we ever find peace?
Everybody thinks we're carzy.
They're about to calll the police.
I don't wanna be a chump.
You think I'm a fascist pig.
Right now everything is black.

I don't think we'll get it.

This is such a pity.
We should give all our love to each other.
Not this hate that destroys us.
This is such a pity
(This is such a pity)

This is such a pity.
We should give all our love to each other.
Not this hate that destroys us.
This is such a pity
(This is such a pity)

This is such a pity.
We should give.
We should give.
All our love.
(destroys us)

All our love.
(destroys us)
All our love.
(destroys us)
All our love.
(destroys us)
All our love.
(destroys us)
All our love.
(destroys us)
