Who you callin' bitch,
don't you listen to a word they say?
They make me so mad,
they don't matter to me anyway.
Chill out baby stay with me for a while.
But that don't mean I'll get with you tonight

So pissed at those boys,
let me comfort you and hold your hand
Especially that Dyno,
acting like he knows he's got a big thang
I know his type; you're safe with me for a while.
But that don't mean I'll get with you tonight.

I want you so badly,
too bad that you're too bad for me.
You love me,
and I like you.
But I got to, got to, getchoo.

Though I love you so,
please remember that I'm just a friend.
A friend who's in my pants,
never more, never ever again.
You're too crazy for me to settle down with,
so I won't let me lead you on with a kiss.

I want you so badly,
too bad that you're too bad for me.
You love me,
and I like you.
But I got to, got to, getchoo.

It hurts you so badly.
I'm sorry you cant have me.
I won't let me get with you tonight.

I loved you so badly,
too bad that you're too bad for me.
You love me,
and I like you.

But I got to, got to, getchoo.

It hurts you so badly.
I'm sorry you cant have me.
It hurts you so badly.
I'm sorry you cant have me.
I won't let me get with,
I won't let me get with you tonight.

Who you callin' bitch,
don't you listen to a word they say?
They make me so mad,
they don't matter to me anyway.
Chill out baby stay with me for a while.
But that don't mean I'll get with you tonight.
That don't mean I'll get with you tonight
