Potato skins, potato cakes
Hash browns, and instant flakes
Baked or boiled or french fried
There's no kind you haven't tried

You planned a trip to Idaho
Just to watch potatoes grow
I understand how you must feel
I can't deny they've got appeal

Whoah
You like them whether they are plain or they're stuffed,
oh yeah
Better face the facts, it seems you can't get enough
You know, you're gonna have to face it
You're addicted to spuds

Your greasy hands, your salty lips
Looks like you found the chips
Your belly aches, your teeth grind
Some tator tots would blow your mind

And you don't mind if they're not cooked
You need your fix, I guess you're hooked
And late at night you always dream
Of bacon bits and sour cream

Whoah, you like them even if they're lumpy or tough,
oh yeah
Whee, It's pretty obvious to me you can't get enough
You know you're gonna have to face it
You're addicted to spuds

Might as well face it, you're addicted to spuds
Might as well face it, you're addicted to spuds
Might as well face it, you're addicted to spuds
Might as well face it, you're addicted to spuds
Might as well face it, you're addicted to spuds

Ooh yeah

I'm givin' up, it's just no use
Another case of spud abuse
What can I say, what can I do
Potato bug has got me too, Wahoo

I used to hate them, now they're all that I eat, oh yeah
Whee, I've often seen them whipped, but they just can't
be beat
Now I'm gonna have to face it
I'm addicted to spuds

Might as well face it, I'm addicted to spuds
Might as well face it, I'm addicted to spuds
Might as well face it, I'm addicted to spuds
Might as well face it, I'm addicted to spuds

Might as well face it, I'm addicted to spuds
Might as well face it, I'm addicted to spuds
Might as well face it, I'm addicted to spuds
Might as well face it, I'm addicted to spuds
