(Two men talking)

"Which did you like better, Jedi, or the Empire strikes back?"

Empire... last for me...

Empire Had The Better Ending, I Mean Luke Gets His Hand Cut Off,

Finds Out Vaders His Father, Uh... Han Gets Frozen and Gets Taken

Away By Bobba Fett, It Ends On Such A Downending. I Mean That's What Life

Is, A Series Of Downendings. All Jedi Had Was A Bunch Of Muppets...
