These are my confessions  
Just when I thought I said all I could say I came up with  
more secrets to tell you today  
These are my confessions  
Slip my mind the last two times  
Silly me, so now I gotta give you part three of my  
confessions  
First I told you about the skank that I was cheating  
with, then I mentioned she's having my kid  
That's not all, now I recall more you see, so I'll give you  
part three of my confessions

Now this is gonna be the hardest thing I think I ever had  
to do,  
Gonna tell you everything I left out of parts one and two  
Like remember when I told you I knew Paulie Shore  
(Paulie Shore)  
That's a lie, I don't know what I said that for  
I borrowed your chapstick (from you) without asking  
Oh I tried out your nose hair trimmer (too)  
And by the way your diamond ring is cubic zirconium,  
I killed your goldfish accidentally, just replaced it with  
another one

These are my confessions  
Just when I thought I said all I could say I needed to get  
some things off my chest right away  
These are my confessions  
Slipped my mind the last two times, silly me, I guess I  
gotta give you part three of my confessions  
I threw up on your dog last time I had too much to drink  
There have been times when I've peed in your sink  
Don't know why, but you and I should agree that  
belongs in part three of my confessions

Baby forgive me I'm still trying to figure out why I used  
your toothbrush to clean off the bathroom grought  
Oh and sometimes in private, I really like to dress up as  
Shirley Temple and spank myself with a hockey stick

(hockey stick)  
My boss thinks I'm a jerk, I didn't get that raise.  
I haven't changed my underwear in twenty-seven days!  
And when I'm kissing you I fantasize you as a midget  
I'm so sorry Debbie! I mean Bridget!

These are my confessions  
Just when I thought I said all I could say I got a few  
more secrets I'd like to convey  
These are my confessions  
Slipped my mind the last two times, silly me, I guess I  
gotta give you part three of my confessions  
Gave you buttered toast I dropped and picked up off  
the floor  
FYI it was not a cold sore  
Ooops my bad, but you'll be madder at me when I  
finish part three of my confessions

You don't know how hard it is for me to tell you this, but  
remember that shirt that you got me for my birthday?  
Well, I returned it for store credit. That thing was  
hideous, what were you thinking?  
Oh and by the way, I wasn't really sick last week,  
I just didn't wanna go to your stupid office picnic  
Oh and when I told you at breakfast we were all out of  
rice krispies,  
What I meant was that there was only enough left for  
me. Sorry.

These are my confessions  
Just when I thought I said all I could say, I thought of  
some more things that should scare you away  
These are my confessions  
Slipped my mind the last two times, silly me, I guess I  
gotta give you part three of my confessions  
Once I blew my nose and then I wiped it on your cat  
And I lied, yes that dress makes you look fat  
Anyway, I shouldn't say anymore 'til I give you part four  
of my confessions

I mean I'm just getting started here  
I'm not even half way down the list  
I mean this thing could go on for....(footsteps)  
Hey, hey where are you going?  
Honey? what? Was it something I said?(door opens and  
slams close)  
(Sigh) Women
