The problem is hiding in a cave across the sea.
The answer is easy if you think logically
He'll never stop us in our struggle to be free
Their must be 50 ways to get Bin Laden
The president just put a bounty on his head
He doesn't care if he's alive or if he's dead
We'll send commandos there to pump him full of lead
Their must be 50 ways to get Bin Laden
50 ways to get Bin Laden

You just stab him in the back Jack
Blow up the cave Dave
Step on his veil Dale
Just listen to me

Hit him with a bus Gus
Then send him a scud, Bud
Just hang him from a tree, Lee
So we can stand free

It well not grieve us here to see him in such pain
We have to stop him cuz he's totally insane
He's gonna end up with a bullet in the brain
There must be 50 ways to get Bin Laden

He thought the U.S. would give up with out a fight
Now he's gonna face the full force of our might
We'll show Osama what is wrong and what is right
There must be 50 ways to get Bin Laden
50 ways to get Bin Laden

You just stab him in the back Jack
Blow up the cave Dave
Step on his veil Dale
Just listen to me

Hit him with a bus Gus
Then send him a scud, Bud
Just hang him from a tree, Lee
So we can stand free

You just stab him in the back Jack
Blow up the cave Dave
Step on his veil Dale
Just listen to me

Hit him with a bus Gus
Then send him a scud, Bud
Just hang him from a tree, Lee
So we can stand free
